### ABOUT THE COLLEGE

Shri Brijlal Biyani Shiksha Samiti has been founded in the year 1969. The College is established in the year 1972 and affiliated to Sant Gadge Baba Amravati University, and accredited by NAAC with B+ Grade. The College offers Science & Commerce discipline with Bsc., Msc., B.B.A, B.C.A, B.Com, B. Voc, PCDBME& PGDM courses.

### ABOUT THE NODAL DEPARTMENT

Electronics Department was established in the year 1987. At infancy, the Department was offering Electronics subject at Undergraduate level. Progressing further MSc.(Electronics) programme has been added in the department in the year 2007. Adding new feathers to the department, the UGC in the year 2011 has sanctioned two diploma courses viz. Post Graduate Diploma in Bio-Medical Electronics and Post Graduate Diploma in Mechatronics under innovative Programme with a funding of about Rs.1.2 Cr. The department is also an approved research center of Sant Gadge Baba Amravati University, Amravati. The Department is striving its best for grooming students for a high profile career in design and development of electronics products. Recently B. Voc . Medical Equipment Techniques and Management centre of NIDC and UGC, Founded by UGC has started from the academic session 2019-20 with UGC funding of 1.10Cr for 3yrs.

### HEALTH SMITH

Morph Pro Means Professional transformation an initiative of health smith having HQ in Hyderabad and Dhaka have program for fresher's designed to create awareness on placement preparations, corporate personality development required at work, communications skills, market exposure, options in careers, various other enhancement qualifications for their career, interview preparations, selection process details & preparations, process and procedures of employer.

#### GOALS

Awareness, Change thought process, Preparations, Plan, Groom, Increase reach, Exposure, Develop

#### NEED OF THE ACTIVITY:

- Self development is lacking in the candidates
- There are no initiatives taken to deliver such programs with proper delivery systems
- Rural area is affected due to lack of exposure on such activity
- Economic constraint from the candidates even though interested and high market cost skill development

#### UTILITY / SCOPE

- To provide additional skills and develop personalities of the candidates
- To expose them to various career options
- To develop basic working standards
- To prepare them for placement and job opportunities
- To give overview of market scenario
- To create awareness on requirement of career enhancement and growth
- To expose them to corporate culture, standards
- To make them understand selection process and requirements
- First job a key for growth & perfect subordinations
- Development requirements
- Self preparations & self dependent candidate
- Interview preparations & guidance
- Self resume writing techniques
- Career shift or transition reasoning
- To develop Interpersonal skills
- Self confidence development
- Organizational growth- pattern for career track
- Information on management expectations and fair managements strategies employee growth to rate organization
- Removal hurdles as fear and compromise on jobs standards
- Relation building activity & teamwork in their jobs a success track
- Overcoming rigidity and mental blocks of the candidates with respect to their first job
- Competency enhancement
